RE: Recommendation Letter

---

This is a letter of recommendation for Gamino Cleaning Service. We have used their services since May 2012 for our church, school and parish office cleaning.

Gamino Cleaning Service has provided us with quality and efficient service. Their personnel have been steady employees that know our buildings as well as our parish janitor and that is very helpful to us. We have had excellent, and quality service. Gamino's has helped us out in spontaneous times of need such as, cleaning all the school carpets in a timely matter and power cleaning a restroom as requested. We are well satisfied.
